

BOND DEFINITION TEAM MEETING

Wednesday, August 26, 2009

9:00 a.m. – 5:00 p.m.

COSTS NEEDED

1. Elementary on River Hills (core 650 capacity, build to 500 & future 8 classroom wing) ←
2. Additions to Barton Creek & Valley View
3. Multipurpose Facility – Athletics/Band/Dance/Cheer/Wrestling/Weight Training ←
4. Swim Center/Aquatics – Maintenance costs? ←

How long will it take? Need immediate programming and estimating.

Remove costs from spreadsheets.

CHILD NUTRITION – STEVE STRACKE

Consider adding generators?

New code requires all kitchens to have vent hoods over the dishwasher.

Kitchens in need of Vent Hoods over the Dishwasher

- a. Hill Country Middle
- b. West Ridge Middle
- c. Eanes Elementary
- d. Valley View Elementary
- e. Forest Trail Elementary
- f. Barton Creek Elementary
- g. Bridge Point Elementary

www.keepeanesinformed.com

Chap court – need freezer/frig – would like to add outdoor grill/cooking area. Could also function for stadium. Need input from L. Rawlings. Steve will discuss with L. Rawlings. ←

If we go to 5 elem., will need to expand kitchen at CCE, make 2 lines. Would request redesign.

FTE – office spaced needed for food service manager.

WR – expand kitchen area

BC – commodity storage needed

Les, change monitors at WHS from Team 1 to Team 3

COMMUNITY ED/CDC – LETICIA HINOJOSA

CDC – currently at BC, EE, VV, CC – centralizing would save \$

FT – easy access

Approx. 8 infants / 20 kids at each campus

Storage problem

Requirements: Refrig., Microwave, hot/cold water (if infant(s), 2 sinks required; currently not 2 sinks at BC), washers, dryers, TV & Video

Need security/key badge system, cameras in classroom

Need phone and computer access

Parking a problem at BC/VV

Need exclusive playground for CDC – preferably covered

COMMUNITY ED – Enrichment classes, need working space

EASY CARE – After school program at all campuses. BC, CC have good storage, Rockhouse crowded
