Re: Gold Performance Acknowledgment

The Gold Performance Acknowledgment (GPA) system acknowledges districts and campuses for high performance on indicators other than those used to determine accountability ratings. Acknowledgement is given for exceptional performance on:

- Advanced Course Completion
- Advanced Placement/International Baccalaureate Results
- Attendance Rate
- Commended Performance: Reading/English Language Arts
- Commended Performance: Mathematics
- Commended Performance: Writing
- Commended Performance: Science
- Commended Performance: Social Studies
- Recommended High School Program/Distinguished Achievement Program
- SAT/ACT Results (College Admission Tests)
- TAAS/TASP Equivalency (College Preparedness)

I have used the descriptions in the 2004 Accountability Manual and our 2004 Campus Summary Reports to determine how many Gold Performance Acknowledgments (GPA's) the district and each individual campus should receive. The Summary Reports list TAKS results by grade level and subject area. The Accountability System, including Gold Performance Acknowledgments, uses summed results across grade levels, i.e. elementary campus results combine grades 3-5 scores. This difference makes determining GPA's challenging. I'm optimistic my determinations are accurate. We will know in December when TEA releases the GPAs.

Five of the acknowledgment areas apply only to districts and high schools. Eanes ISD and Westlake High School should receive Gold Performance Acknowledgments for:

- Advanced Course Completion
- Advanced Placement Results
- Recommended High School Program
- SAT/ACT Results
- TAAS/TASP Equivalency

The Commended Performance and Attendance Rate acknowledgments apply to the district and all campuses. The attached chart lists the Gold Performance Acknowledgments the Eanes schools should receive.
